OFFICE OF PETITIONS

In re Patent No. 6,790,353	:	
Issue Date: September 14, 2004	:	CORRECTED DECISION
Application No. 10/064,871	:	UNDER 37 CFR 3.81(b)
Filed: August 26, 2002	:	
Attorney Docket No. 717281.7	:	

This is a corrected decision on the petition under 37 CFR 1.183, filed April 1, 2005, which is being treated under 37 CFR 3.81(b)¹ to correct of the assignee on the front page of the above-identified patent. The decision mailed on August 31, 2005 is hereby vacated.

The petition is **dismissed**.

Petitioner requests issuance of a certificate of correction in the name of "Stellar Technology Company, Sauget, IL." 37 CFR 3.81(a) permits the patent to issue to the assignee, provided that, at the time the issue fee is paid, the name of an assignee is provided. 37 CFR 3.81(b) permits the patent to issue in the name of an assignee if the assignment was submitted after payment of the issue fee but *prior to issuance of a patent*. The U.S. Patent and Trademark Office assignment records disclose that an assignment from Stellar Manufacturing Company to Stellar Technology Company was recorded on December 16, 2004, after the date of issuance of this patent. Accordingly, since the assignment was not submitted for recordation until after issuance of this patent, issuance of a certificate of correction would not be proper. Note also MPEP Section 307.

However, it would be appropriate to grant the instant petition to reflect the assignee data as **Stellar Manufacturing Company, Sauget, IL** on the front page of the Letters Patent. Accordingly, if petitioner desires to have the assignee data corrected on the front page of the Letters Patent, petitioner should submit a request for reconsideration under 37 CFR 3.81(b), along with a request for a Certificate of Correction and PTO Form 1050.
